ESTABLISHING DISTRICT WEBSITE AND
DESIGNATING LOCATION FOR POSTING OF 24-HOUR NOTICES

A. Pursuant to Section 32-1-903, C.R.S., special districts are required to designate a schedule for regular meetings, indicating the dates, time and location of said meetings.

B. Pursuant to Section 24-6-402(2)(c)(I), C.R.S., special districts are required to designate annually at the board of directors of the district's first regular meeting of each calendar year, the public place at which notice of the date, time and location of regular and special meetings ("**Notice of Meeting**") will be physically posted at least 24 hours prior to each meeting ("**Designated Public Place**"). A special district is deemed to have given full and timely notice of a regular or special meeting if it posts its Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.

C. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., special districts are relieved of the requirement to post the Notice of Meeting at the Designated Public Place, and are deemed to have given full and timely notice of a public meeting, if a special district posts the Notice of Meeting online at a public website of the special district ("**District Website**") at least 24 hours prior to each regular and special meeting

D. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., if a special district is unable to post a Notice of Meeting on the District Website at least 24 hours prior to the meeting due to exigent or emergency circumstances, then it must physically post the Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.

**DENARGO MARKET METROPOLITAN DISTRICT NO. 1
2020 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation, was formed in June 2010, and is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Denver, Colorado.

The District was established to provide for acquisition, construction, and installation of water, sanitation, drainage, street improvements, parks and recreational facilities, television relay and translation, and mosquito control.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1.50%.

Developer Advance

The District is in the development stage. As such, the portion of the capital expenditures is expected to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Expenditures

Administrative and Operating Expenditures

Administrative and operating expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, banking, and meeting expense.

Document Retention Policy

Types of Documents

In representing you we will or may take possession of, create, and/or keep various types of documents. These consist of documents you provide to us, documents which constitute the District's official public record, and internal documents we create to assist us in providing services to you.

Documents You Provide to Us

It is our policy to copy and return original documents you provide to us as soon as practicable. Exceptions to this policy are original documents which should be kept as part of the District's official public record, instances where we must have an original document to represent you, or cases where we have affirmatively agreed retain a document for safekeeping.

The District's Record

As a part our engagement, we will maintain the District's official public Record (the "Record"). The Record is a highly useful and detailed compilation of documents reflecting the official actions of the District and serves multiple functions. First, it collects those documents which the public is entitled to inspect and copy under various state and federal public records and freedom of information statutes. Second, it organizes the records of the District – such as its contracts, land and title records, and easements - in a manner which is useful in conducting the ongoing business of the District. Third, the Record helps expedite the District's annual audit process. Fourth, in the event you should change legal counsel or employ in-house counsel, the Record will enable that counsel to understand the status and assume representation of the District with maximum efficiency.

The Record includes the District's organizational documents, fully-executed agreements which are still in effect, rules, regulations, resolutions adopted by the District, official minutes books, meeting notices, agendas, insurance policies, District maps, election records, bond documents, audit documents, and many more. A comprehensive list of documents comprising the Record is available from us at any time upon request.

Creating and maintaining the Record is an important and complex task, and you agree to pay our actual costs and hourly fees associated with doing this.

Supplemental Documents

All other documents created in course of representing you are referred to as Supplemental Documents. These include our notes, drafts, memoranda, worksheets, electronic communications, and other electronic documents stored in various media or file servers.

Documents We Retain

Except as provided in this Document Retention Policy or an amendment thereto, we will keep the Record and any original documents accepted by us for safekeeping so long as we represent you.

Delivery of the Record

Once a matter is concluded or our representation terminated, we deliver the original, printed Record, together with any original documents we have accepted for safekeeping, to you or the District's designee, provided our fees and costs have been paid in full. If you do not designate someone to receive these records, we will deliver them to a then-current officer or director of the District. If we are unable to deliver these documents because of your failure to designate a recipient, we may retain, destroy, or otherwise dispose of them in manner which assures their continued confidentiality within thirty (30) days following the conclusion of a matter or the termination of our representation.

We will also confidentially destroy the Record of any District in our possession if a final order of dissolution of the District is entered.

All other documents, including all Supplemental Documents, are routinely, periodically, confidentially, and permanently purged by us once they are no longer useful to us in providing services to you.
